Amis du Vin Wine Club

“Friends of Wine”

Deux Amis is French for two friends. Although two friends started Deux Amis, we now have many friends who enjoy our wines, and who have asked us to start a wine club. Because you are a friend of Deux Amis, we invite you to become a member in our new wine club, *Amis du Vin* (a-me do van) or “Friends of Wine.”

For all our loyal friends who tell us they cannot find our wines in their neck of the woods...let us bring our limited-release Zinfandels and Petite Sirah to you as a member of *Amis du Vin*.

What does it mean to be a member of *Amis du Vin*?

- Twice a year you will receive our new wines before they're released to the general public
- You can choose to receive 6 or 12 bottles per shipment
- Increased discounts:
 - 15% discount on 6 –11 bottles
 - 25% discount on 12 or more bottles
 - 30% discount on 3 or more cases
 - 10% discount on all Deux Amis merchandise
- You will receive first chance to purchase any limited production or library wines
- No purchase limits on small-production releases, such as our Petite Sirah
- You and your friends are encouraged to make an appointment to taste with Jim and Phyllis any time you are in the Healdsburg area
- Invitation to all Deux Amis events
- No membership dues
- The wine club discount is effective as soon as you sign up

We look forward to seeing you at Deux Amis soon.

Cheers,

Phyllis & Jim
